Summer Reading from Dolphinbooksellers.co.uk

Dear Colleague,

Children's Centres we are working with are very interested in developing their sources of children's books.

Literacy is high on the agenda and involving families is tops when it comes to working in partnership.

We have put together a collection of 20 high quality and stimulating children's books for summer reads, worth at least £120.

Summer Reading includes the Shortlist for the Red House Book Awards

We're offering 10% off our list prices for the selection and an extra £10 discount from the pack price this season.

Our Summer reading pack is just £95.

Including delivery to your door.

Use the coupon below to get your order in quickly – offer while stocks last – full refund if you are not delighted.

City Stories

We also manage the City Stories project – bringing authors, illustrators and storytellers into community settings to support your literacy work.

We work to raise the funding for you, book the authors for the event, handle the press releases, create a community website about books for your project, deliver an event report for you...and even bring lunch!

If you would like to know more...

1. Check out www.citystorieshere.com
